Private Tour Customization

For special requests, we do our best to create a memorable experience that is perfectly suited to your group! Arranging tours outside of our normally scheduled times takes extra consideration to coordinate alternate routes and tastings, as some establishments are only available during certain times. Rest assured, we'll provide you with an engaging and delicious tour, it just takes a little more work! Below are possible customizations:

Customized Start Time: Looking for a tour outside of our normal tour times listed above? We can customize a tour start time to suit your schedule.

There is an additional \$100 charge for each customization.
